Who are we?

The Friends of the Lincoln Public Library are a group of library supporters. We volunteer our time, talents, and resources to promote library services and to benefit the library.

What is involved in membership?

No time commitment is required for membership but volunteers are needed to make the Friends a success. **Lincoln residency is not required, ANYONE can become a member.** Individuals, families, and businesses are encouraged to join!

Why should I join?

The Friends are an organization that believes in the value of reading. We believe our town should have access to high quality books, A/V materials, information, and technology. If you share these beliefs please join us in supporting the library!

What activities do the Friends of the Lincoln Public Library Sponsor?

-  We use our funds to provide discount passes to many cultural attractions in RI, MA, and CT. Passes include The Museum of Science Boston, Roger Williams Park Zoo, and many more!
-  We support programs for children and teens and lend support for the annual Summer Reading Program.
-  We sponsor educational programs and speakers of interest to adults in the community.
-  We support an on-going book sale which raises funds to purchase books and other library materials for patron use.
